Title: Threatening Letter

Author: † Brother Allanis †

-----

\*You see a threatening  
letter to the people of  
Trinsic, in the  
handwriting  
of Brother Allanis\*

Fools,

Think ye not rid of me  
for long. I care not for  
your protestations of  
"sensitivity" around my  
discourse.cultist The  
Archlich shall return to  
Trinsic and all who stand  
in his path shall once  
again find blood and ash.  
Your hero is gone  
forever. Lost to the Well  
of Souls in a pitiful  
non-existence. My  
master,  
however, remains. Once  
he  
is free of the bounds of  
the void, all of Britannia  
shall bend to his dark  
will. Look to the North,  
for your end springs  
from the cold dark of  
Deceit!
